

## TWICE PROVEN

If you suffer backache, sleepless nights, tired, dull days and distressing urinary disorders, don't experiment. Read this twice told testimony. It's convincing evidence—doubly proven.

Henry Bramley, barber, Long & Scott Sts., Mountain Grove, Mo. says: "I was in poor health and had been troubled with kidney complaint for years. I tried medicine after medicine and different physicians said I had kidney trouble. My back ached so severely at times it was almost impossible for me to stoop over. I became weak and the pains through my back and kidneys were terrible. The kidney secretions were too frequent in passage and caused me a great deal of annoyance. I finally got Doan's Kidney Pills and one box helped me so much I continued taking them. Three boxes made me sound and well, curing me of all of symptoms of kidney trouble." (Statement given Dec. 2, 1908.)

On August 1, 1916 Mr. Bramley said: "My kidney trouble is now nothing of the past, for Doan's Kidney Pills completely and permanently cured me."

## Food Conservation Exhibit

Mr. W. A. Black, Mansfield, Mo.

Dear Mr. Black:

Your name has been sent me by the U. S. Food Administration as the person in charge of the Fair. The Food Administration is urging that exhibits featuring the conservation of food be given in connection with local fairs. Do you wish to feature such an exhibit? I am asked to turn in to the Exhibit Committee of the Food Administration at Washington a list of the fairs in Missouri that will make such exhibits. We have asked the Food Administrator in each county to appoint a Chairman of Exhibits who will work with a local exhibit committee in preparing exhibits for fairs, so that you will doubtless be able to secure local help in arranging and planning for such an exhibit. Definite plans and probably posters and placards will be available for use in the preparation of such exhibits.

Very truly yours,

ESSIE M. HEYLE.

Chairman of Exhibits, U. S. Food Administration, Missouri Division, in charge of Home Economics Extension Work.

## A TRULY WONDERFUL CURE

Sedalia, Missouri, January 24, 1911

The W. E. Honek Remedy Company, Sedalia, Missouri.

Gentlemen:—This is to certify that for a number of years I had been seriously afflicted with stomach or liver trouble and added to them were the horrors of constipation in its worst form. My afflictions were so great that I was considered a physical wreck. Physicians looked upon my case as perfectly hopeless. I was unable to eat any thing without great suffering. August 1912 I had to resign my position as trainmaster on the M. K. & T. railroad. I visited different springs; got no relief; took all kinds of medicine. June 1, 1913, I was under care of doctor, and by chance was handed a sample of LAXSO KOTTO TABLETS. After taking the first tablet I felt better. Used them 90 days and gained thirty pounds.

I am now running passenger train on M. K. & T. and am a well man. I cheerfully recommend LAXSO-KOTTO TABLETS to all sufferers, and will answer all inquiries. K. A. EASLEY, 726 East Fifth Street.

What LAXSO-KOTTO TABLETS have done for others they will do for you. They are guaranteed.
